

Una base Sistema sospesa con sei
ampi cassetti, i frontali con maniglia a gola e
le superfici uniformi: la bellezza
delle venature incontra la praticità
dei volumi.

A Sistema suspended base
with six spacious drawers, the
frontals with groove handle
and uniform surfaces: the
veins beauty joins the
volume practicality.

Gli accessori rendono la cabina ancora più funzionale. Permettono di tenere gli abiti in ordine, di preservarne la forma e di avere tutto a portata di mano.

The accessories makes the cabin even more functional. Allows to keep the clothes in order, preserving the form to have everything under control.

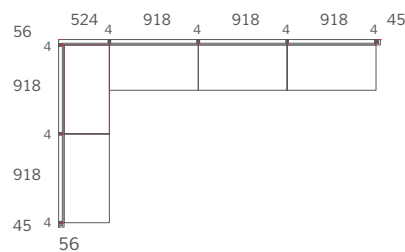

Le pareti sono suddivise in aree tematiche per organizzare perfettamente il guardaroba. L'inserto kashmir a ripiani è un'ulteriore specializzazione per i piccoli accessori.

The walls are divided in different themes to organize perfectly the space. The Kashmir shelf element is another specialty for small accessories.

I cesti in tessuto trapuntato sono inseriti in una pratica struttura che li fa diventare estraibili. Le cassettiere Sistema con ruote rendono la cabina ancora più dinamica.

The quilted fabric baskets are placed in a practical structure that makes them removable.
The Sistema drawers elements with wheels makes the walk in closet more dynamic.

La personalità della finitura trasforma la cassettera in un punto d'attrazione all'interno della cabina armadio.

The finish's personality transforms the drawer element in an attraction point inside the walk in closet.
